

HONORARY RECOGNITION PROGRAMS

-- Nomination Deadline: --
January 26, 2024

The Council bestows University-level recognition on faculty nominated to the following award programs:

DEVELOPING SCHOLAR AWARD (DSA)

Designed to identify, recognize, and honor future research leaders at the rank of Associate Professor.

DISTINGUISHED RESEARCH PROFESSOR (DRP) AWARD

Designed to recognize and honor outstanding research, scholarly, and/or creative activities among faculty with national and international visibility at the rank of full Professor.

DEVELOPING SPECIALIZED FACULTY (DSF) AWARD

Designed to recognize successful specialized faculty members several years into their careers and identify and honor future research/scholar/scientist leaders.

DISTINGUISHED UNIVERSITY SCHOLAR (DUS) AWARD

Designed to recognize and honor outstanding research and/or creative activities among eligible specialized faculty at senior levels of their position.

Proposal support, grant writing and editing assistance, and research mentoring workshops are just a few resources available through the Research Development team. Visit research.fsu.edu/research-offices/ord to learn more.
