Developing Scholar Award (DSA) Program

The **Developing Scholar Award (DSA)** recognizes outstanding research and/or creative activity of eligible Florida State University faculty currently at the rank of **Associate Professor**. Departments are encouraged to nominate **only one** candidate for this award. If multiple candidates are nominated, the Chair or Dean will be contacted to rank order their candidates (no ties) for reviewers. **Nominations from "centers" will not be accepted; nominations must be submitted from a faculty member's home department.**

The one-time award amount of \$10,000 is to be used to promote the awardee's program of research and creativity during the academic year subsequent to the award's presentation. Eligibility is limited to **tenured Associate Professors** who began serving in that position no earlier than August 2021.

For more information about the DSA Program, please see the [CRC Internal Funding website](#). If you have any questions, email us at: RSCH-CRC@fsu.edu.
